Subject: Deficient Notice of Intention to Commence Large Mining Operations, Staker Parson Companies, Heber Binggeli Quarry, M/051/0015, Wasatch County, Utah

Dear Mr. Dalley:

The Division of Oil, Gas and Mining received the reclamation surety and reclamation contract for the referenced operation on May 20, 2013. Copies of the signed reclamation contract and of the reclamation surety are enclosed.

A project map was received April 15, 2013. The map shows 145 acres of proposed disturbance. This site was an existing sand and gravel operation, and this accounts for most of the disturbance. The Division has received a proposal to mine into the bedrock south of the existing sand and gravel operation.

Please submit the Notice of Intention to Commence Large Mining Operations by October 15, 2013.

Please call Leslie Heppler at 801-538-5257 or me at 801-538-5261 if you have any questions about this requirement. In reply, please refer to file number S/051/0015. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
